Secure Your Future Before You Begin Your Journey

A sponsorship in the Merchant Navy is a pre-selection by a shipping company, ensuring onboard training opportunities upon successful completion of the course. For DNS programs, sponsorship is mandatory, while for B.Sc Nautical Science and B.Tech Marine Engineering, it significantly enhances career prospects.

Securing a sponsorship early provides students with a structured career pathway and access to leading global shipping companies.

WHY IS SPONSORSHIP IMPORTANT?

Ensures onboard training opportunities

Increases placement security

Provides direct connection with shipping companies

Enhances career growth prospects

Builds confidence before joining college

Gives industry exposure from the beginning
